

Squash anyone?

Thanks to Sah and Sanghi's sponsorship of the game of squash for the last 20 years in Maharashtra, the Police Gymkhana at Marine Drive now boasts of a new squash court.

Not only have the Sah and Sanghi group, established in 1960- been at the fore of Mumbai's automobile dealership segment, they have also championed the overall health of the community by sponsoring sports like squash. Their most recent effort in this direction will keep the police force on their toes, trim and fighting fit.

The entire Sanghi family graced the occasion and amongst those present were Mr. Arun Sanghi, the Chairman of the company & founder member of Squash Racquets Association of Maharashtra, Mr. Ranjan Sanghi, the Director of Sah & Sanghi group & the President of Squash Racquets Association of Maharashtra and Mr. Khalid Ansari, the Chairman of Mid-Day group & Amateurs' Squash Association.

Jamming with Tuffloor

Often parents are haunted with worry of their children getting hurt when playing. **Children's Play Station "Jammin"** has done something to greatly reduce this worry. Under renowned architect Kunal Modi and Director Milton D'Souza, it has installed *Tuffloor*, a specially designed EcoFlex surface for children's play areas. Children's Play Station "Jammin" has its branches in Mulund, Ahmedabad and Ludhiana and belongs to Piramal Enterprises (Pyramid Group).

The joy of exercising

We all work hard throughout the week, just to find that weekends aren't long enough to relax. Thankfully, there are places like '**One Fitness Hub and Spa**' that address this issue. A lounge cum gym, located at J. M. House, Hiranandani Gardens, Powai, it is open 24x7 and spread over a vast area of 10,000 sq. ft.

One Fitness Hub and Spa has installed *Tuffloor*, a specially formulated EcoFlex surface for gymnasiums. Inaugurated by Bobby Deol, One Fitness Hub and Spa has a juice bar which is open till late nights. This unique and innovative concept of a lounge cum gym has started a new trend in the fitness arena.

The fitness fleet

Usually, the fall of a dumbbell makes a loud and irritating sound. Not so at a gym in Navy Nagar. **Western Naval Mess Command health club** is spread over 1,600 sq. ft. This fully air-conditioned gym houses equipment from the renowned Jerai Fitness Company, and has K. S. Associates as its architect. This health club has installed *Tuffloor*, a safety flooring by

EcoFlex that absorbs sound and shock. In the words of Mr. Rajesh Rai from Jerai Fitness Equipment, "We have used EcoFlex safety flooring extensively. This is an ideal flooring, comparable to international products. It is perfect to exercise on, since it is easy on calves and ankles"

Workout on a cloud

Bodybuilding is an exercise wherein one's feet take the entire burden. Clearly understanding this concern, **Fitness First Gym**, Colaba has installed *Tuffloor*, the special safety flooring by EcoFlex. A combination of Black and Terracotta (red) checks has been laid in this 1,300 sq. ft. gym, the first in Mumbai to have ultramodern equipment as alternatives to dumbbells.

Core Management Team

The Syndicate of Success

Mr. Arun Sanghi

A former president of the Federation of Automobile Dealers Association, Mr. Arun Sanghi spearheaded the trading, manufacturing and investment operations of the Sah &

Sanghi group of companies, turning it into leaders in the automobile dealership segment with Rs. 400 crores as total annual turnover. Mr. Arun Sanghi has also been Director to many companies, the public ones being Suraj Sanghi Finance Ltd., Mumbai, Auto Ancillary Manufacturers SDN. BHD. Kuala Lumpur,

Malaysia, Automart India Ltd. and Virat Industries Ltd. Amongst the private companies are Sah & Sanghi Auto Agencies Pvt. Ltd., Tyresoles (India) Pvt. Ltd., Rama Sanghi Auto Pvt. Ltd., Delhi, S.P. Sanghi Air Conditioning Pvt. Ltd. and J. D. Jones & Co. (Mumbai) Pvt. Ltd.

Mr. Arun Sanghi's illustrious career graph continues to speak volumes for his visionary and leadership traits. Mr. Arun Sanghi has also championed numerous social causes along the way. He is a Past President of the Rotary Club of Bombay and has been actively involved with it since the last 20 years.

Mr. Karun Sanghi

Having spent two years at the City College of San Francisco, USA studying for his Associate of Science, Mr. Karun Sanghi went on to acquire a Bachelor of Science degree in Industrial Engineering & Operations Research from the University of California, Berkeley, USA in 1987. In 1988, he became the Managing Director of Tyresoles and nurtured it into India's largest and only ISO

certified retreading unit in India. He steadily orchestrated an impressive turnaround, which today sees the company commanding strength of five factories, 250 employees, sales in excess of Rs. 16 crores and a distribution network that covers four states and over 150 dealers. Today a Director of EcoFlex Flooring, Mr. Karun Sanghi initiated the concept of safety flooring, which, although widely used in the US, European and South East Asian markets, was fairly new to India.

Mrs. Vasundhara Sanghi

Mrs. Sanghi is a firm believer in the adage "Actions speak louder than words". Unsurprisingly, a varied career graph points towards a zest for creating all round progress in her own understated way. As Director of EcoFlex Flooring, she initiated the concept of rubber safety

flooring in the Indian market and introduced the product in various schools and gymnasiums. Mrs. Vasundhara Sanghi's background is in social work and has worked for social organizations like CRY and Asha Sadan Rescue Home for Adoption, respectively. She also worked as a client representative with IOS (India Orientation Services), a company that helps relocation of expatriates.

Mr. Ashish Bahadur

Having acquired his Graduation in 1989, Ashish went on to add yet another highlight to his academic record. This time by attending a PGDCA from NITIE, Powai.

of responsibility and commitment, coupled with his inherent capability, got Ashish promoted to the role of Project Manager of Tyresoles in 1996. This responsibility made him implement numerous projects for the company. The bond grew even stronger when, in 2002, his superlative service and dedication were rewarded with the chair of Vice President.

His tryst with the Tyresoles Group began from the year 1991, when he joined as the first Management Trainee. From there on there was only direction to head towards. Without wasting much time, Ashish became Sales Executive a year later. In 1995, he assumed the role of Sales Manager. Consistent traits

Today, Ashish Bahadur ably handles the overall functions of EcoFlex Safety Flooring, leading the company towards newer triumphs and horizons.
