Marketing Partners Network

EcoFlex Safety Flooring caters to an ever-expanding market through its Direct Sales team in Mumbai. Since the demand for safety in all spheres is on the rise all around, EcoFlex has built a wide network of Marketing Partners in cities like Delhi, Pune, Mumbai, Bangalore, Surat and Hyderabad. Mr. Ashish Bahadur, would now like to introduce its marketing partners, who have supported EcoFlex in developing and catering to the ever-growing safety revolution.

Tip Top General Agencies Pvt. Ltd., *New Delhi*

Headed by Mrs. Ila Chaudhri, the company started offering services in 1955 with technical know how from M/s. Rema Tip Top International, Germany, who are the pioneers in Cold Vulcanizing Rubber, the world over. Now with four parent companies, Tip Top supplies almost all

rubber related products of conveyor systems.

Having catered to various industries like mining, steel, cement, power, port trust etc. in different spheres for the last 50 years, Tip Top joined hands with EcoFlex Safety Flooring two years ago. Since then, it has been supplying all types of safety floorings for varied applications at play areas, swimming pools, stables, gymnasiums and golf courses.

Slim Gym Enterprises, *New Delhi*

Slim Gym Enterprises was formed in 1997. Then, the promoter Mr. Sanjay Bhalla was already into the business of sweathouse areas such as sauna, steam etc. under the name of Silver Spark Pvt. Ltd., which was incorporated in the year 1983. Today, SGE mainly caters to the commercial

and the corporate sectors along with high-profile individuals.

Slim Gym Enterprises has collaborated with EcoFlex Safety Flooring for marketing the product in New Delhi. Mr. S. Bhalla has built a good rapport with architects, consultants and interior designers that has helped him grow his business.

Akshay Enterprises, Pune

Akshay Enterprises, established in Pune, is a sixteen year old dynamic organization that is all rolled into one-Contractors, Builders & Developers, Civil Engineers, Interior Designers and Associate Real Estate Valuers. The company managed and run by Mr. Uday Tol also

specializes in turnkey projects from concept to completion.

Akshay Enterprises is also associated with EcoFlex and caters to the needs of various segments of the society. It has helped EcoFlex build a very good market in and around Pune. This has resulted in winning over the admiration of many architects, consultants and interior designers.

The Floorsmiths, Mumbai

The Floorsmiths headed by Mr. Edwin Smith, is a company dealing with floor coverings that started operations in October 2003. Since its inception, Floorsmiths has developed into one of the leading suppliers of

special applications, and floor coverings in the field of sports.

The Floorsmiths has also been associated with EcoFlex as a Marketing Partner right from its (Floorsmiths's) foundation days. It has successfully installed EcoFlex flooring for projects in Mumbai and Pune and also has a long list of valuable clients.

A to Z Lifestyle, Mumbai

A to Z Lifestyle established in 1936, has infrastructure for manufacturing, distributing and contract selling in textile, carpet and flooring lines. It has branches in the cities of Pune, Delhi and Jaipur. Mr. Ambrish Parekh & Mr. Sunil Parekh are the partners in the company.

The company has found an ideal partner in EcoFlex that possesses unique utilities and accordingly EcoFlex is promoting the sales of the product through the segments of Builders, Gymnasium and Running / Jogging Tracks.

Buildtech Innovations, Bangalore

Buildtech Innovations is a company promoted by a group of professional interior designers & headed by Mr. Deepak Loomba. Today, Buildtech provides turnkey interior solutions to many leading business houses. The company has always believed that "Quality is never an accident, but a

result of intelligent efforts and the will to create superior forms."

Till date, the company has gained a galaxy of high-profile clients. It has now joined hands with EcoFlex as a marketing partner to build up a safer society. Recently, it has also installed EcoFlex Safety Flooring at the pathway of the Turf Club.

The Decora Impex, Surat

The Decora Impex - is the pioneer in offering exclusive floorings, window coverings, wall coverings, and interiors in Gujarat. It ventured into this business in 1975 in Surat, under the leadership of Mr. Dipakbhai Jariwala. It has started one of the exclusive showrooms in the most famous building "Bhavik Complex" at Ghoddod Road,

which is considered to be the heart of Surat.

The company has been dealing in exclusive floorings all over India. Recently, The Decora Impex added its name to the marketing partners' list of EcoFlex. This will, in the near future, enable EcoFlex expand its market in Gujarat region.

Walls and Floors, Hyderabad

Headed by a young entrepreneur, Mr. Ketan Turakhia, Walls and Floors, is a company dealing with glass mosaic tiles and plywood companies. It has been operating its works in and around Hyderabad for last 5 years.

Since its association with EcoFlex, Mr. Turakhia has

handled EcoFlex flooring in the city. He is regarded as a one man army. Also, he has executed the first site of Wetpour flooring in Hyderabad region and is now marketing EcoFlex there.

News

Club Solaris takes a healthy step on Herculan MF

Club Solaris, Mayur Colony, Pune, has recently placed an order with EcoFlex for Herculan Sports Surfaces B.V. The product Herculan MF will be installed at three badminton courts in the city. It's an honour for EcoFlex — securing the first order after the tie-up with Herculan. Mr. Jayant Pawar, an industrialist based in Pune, is the owner of Club Solaris, which has a large group of gymnasiums in Pune. EcoFlex will be soon completing this work by next week and thus make a mark in establishing a new trend of using world class flooring in India.
