The Fitness World comes of age with Herculan MF

Pune's action-packed fitness centre, Solaris has got five branches spread across the length and breadth of the city. Mr. Jayant Pawar, an industrialist based in Pune, is the promoter of Solaris Fitness World.

Herculan MF has recently been installed at Club Solaris for three badminton courts measuring upto 4,200 sq.ft. These are multifunctional; they can also be used as basketball practice courts. Securing this first order after the tie-up with Herculan, EcoFlex is now poised to establish a new trend of using world-class flooring in India.

◆ Marking of lines at Solaris Fitness World, Pune

Advantage Herculan MF -

Herculan MF Multi-Functional sports floors are top quality multifunctional point-elastic floors suitable for all traditional indoor sports. These surfaces are seamless from wall to wall, impermeable to water, rot proof, chemical resistant, fully closed, fire resistant, shock absorbent and extremely wear resistant.

Herculan MF sports floors are approved for use as a multi-sports surface for all indoor sports by ISA Sports, the Netherlands Olympic Committee and the Netherlands Sports Federation.

The high performance seamless surface of the *Herculan MF* system is non-porous, therefore hygienic, and easy to clean. *Herculan MF* systems provide the optimum slide and slip resistance. Due to the high tensile strength and elasticity of the Herculan EX 800 wear layer, this tough and durable sport floor will not be damaged by tables, chairs or high-heeled shoes.

Gaining a foothold in Taj

◆ Taj Coral Reef Resort, Maldives

It is today one of the finest resorts in Maldives, offering best in-class luxury and comfort. Travelers from across the world prefer Taj Coral Reef over all other

resorts. And the Taj Coral Reef has preferred us. EcoFlex has initiated itself into this resort by installing its safety flooring for the resort's gymnasium, wet areas as well as its diving school areas. It is now only a question of time before the product gets the nod of approval from the stylish corridors in the Taj Coral Reef Resort. This will facilitate further inroads into the Taj group, helping expand EcoFlex business in such prestigious avenues.

Playtop unfolds on Indian soil

Managing Director of EcoFlex Flooring, Mr. Karun Sanghi, had been on an international business tour from 25th April to 6th May 2006. This visit proved to be the perfect headstart for Playtop surfaces in India. Mr. Sanghi visited Playtop Limited in England, a part of the Charles Lawrence Group, and met up with the Director of the company, Mr. Barry Baker. This meeting paved the way for an exclusive interview with Mr. Barry Baker, one that was appeared in a regional business publication, Business East Midlands. The meeting also laid the foundation for

collaboration with the European giant and an agreement was finalized with Playtop, making EcoFlex its first partner organization in India.

Gist of a press clipping appeared in a regional business publication, Business East Midlands:-

Newark-based Playtop Safer Surfacing, has now arrived on playgrounds and children's parks in India. Its origination lies in the European safety regulations aimed at limiting the damage to children caused by falls in playing areas. During a visit to India, Barry Baker, the International Development Manager signed an agreement with Karun Sanghi, the Managing Director of a subsidiary of Sah and Sanghi Group, one of India's largest automobile dealership companies. This is the business which also owns Tyresoles; one of India's leading tyre-retreading company that has provided Playtop with a perfect route into Indian markets, in a complimentary and highly respected business. Incidentally, Playtop uses recycled commercial vehicle tyres, transforming them into rubber granules, which are then bound together and laid in-situ.

Mr. David Leggate carries home impressive memories

Mr. David Leggate, General Manager of Herculan Sports Surfaces B. V., visited India during 19th to 22nd June 2006. His itinerary was packed end-to-end with visits to various sites with EcoFlex installations. Among them were Solaris Fitness World in Pune, where Herculan MF is installed at three badminton courts. He was visibly impressed with what he saw. Then he visited the Poonawalla Stud Farm at Theoor, Pune, where rubber concrete has been laid. He also paid a visit to a group of architects in Mumbai along with Mr. Karun Sanghi and Mr. Ashish Bahadur. Fuelled by his curiosity and delight, he also visited the design studio of EcoFlex, Better Communications Pvt.Ltd.at Worli, Mumbai.

Surela's big gift for small wonders

Surela Investments Pvt. Ltd. is a project by Reliance Industries Ltd. It has been designed by renowned architect Kishor Pradhan.

Situated at Chunabhatti, Mumbai, this construction has been laid with Playsafe for its 800 sq. ft. children's play area.

The project overseers are extremely happy and satisfied with the world class quality and safety standards on offer.

Children's Nook plays it safe

◆ Children's Nook Group of Schools, Thane

Children's Nook Group of Schools is an institution having an experience of over two decades in the field of pre-primary education. It has five prestigious schools in South Mumbai and it recently opened its sixth branch at Vikas Palms, Thane. This was inaugurated by the famous industrialist Mrs. Tina Ambani. The pre-school has installed Playsafe for its play area of 125 sq.ft. This is the first of its kind where EcoFlex has installed its product in a nursery school.

Runathon enhances 'Sports in the interiors'

NA Sports Interactive is a newly established sports data and content company located at Royal Palms, Goregaon. It is built around the theme 'Sports in the Interiors'. Complementing this theme, EcoFlex has laid Runathon for its jogging track inside the office, across an area of 200 sq.ft.

◆ NA Sports Interactive, Goregaon

Food Mall becomes Fun Mall!

One of the most extensive retailers across the globe, 'SPAR' marks its presence with a huge food mall in Tikujiniwadi, Thane. Here it has laid Playsafe especially

📍 'SPAR' Food Mall, Thane

for the 250 sq.ft. children's play area. This is the first of its kind project where EcoFlex has worked for a food mall.

The intention behind creating such a play area is that children can have a fun-filled time playing while their parents do the shopping.

Giving a good account of himself

He has made a mark for himself, working as Commercial Co-ordinator for EcoFlex Flooring Pvt. Ltd. It's been almost over a year and a half that Mr. Anish Pillai has efficiently handled the nitty-gritties of the finance department. Backed by experience of more than four years in the Accounts field, Anish also supervises dispatch of materials.
