

**Protect your puppies joints** and  
**help them retain their natural gait**

Did you know, when puppies grow up running on smooth tiles or marble floors, their joints get damaged.

To protect their joints and give them a healthy development, use Ecoflex non slip tiles.

Low maintenance and easily washable.

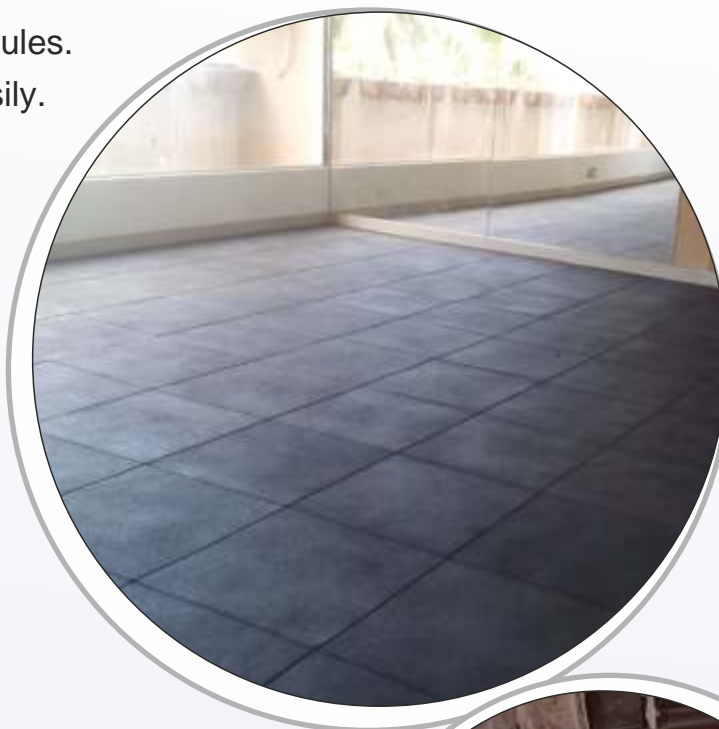

## SQUARE RUBBER TILES

Made from fine meshed rubber granules.  
Can be removed and reinstalled easily.  
No adhesive required.
